

Welcome to Your Journey with Mentorless: Unveiling the Internship Structure

Batch – MIP-DA-09

Here's a glimpse of how your internship will unfold, and the exciting tasks that await you. Get ready to embark on this fulfilling journey, where your dedication will be rewarded with knowledge and recognition.

Task Breakdown and Scoring:

1. Reels Task on SQL or Power BI (20 Marks) - Submission Deadline: Day 7 (02/06/2024):

You will create original, 30-second to 1 minute video on **topic received in email** with voiceovers. Submit via provided form with title and video file by deadline.

[Refer Reels Task PDF File for more details.](#)

2. Corona Virus Analysis with SQL (30 Marks) - Submission Deadline: Day 17 (12/06/2024):

Analyze COVID-19 data using SQL and data analysis skills. Gain insights into the pandemic's impact through dataset examination. Tasks include answering questions provided in the "Reference File for Corona data" using SQL queries. Explore real-world data scenarios and seek guidance as needed.

[Refer Problem Statement of Corona Virus Analysis for more details.](#)

3. Nrega Analysis with Power BI/Tableau (30 Marks)-Submission Deadline: Day 27 (22/06/2024):

This project analyzes NREGA data to evaluate its effectiveness, regional disparities, budget utilization, and factors affecting completion. The dataset includes various parameters like job cards, workforce, and expenditure. Through data analytics, insights will guide policymakers for scheme optimization. Participants will gain skills in data preprocessing, analysis, and policymaking.

[Refer Problem Statement of Nrega analysis for more details.](#)

4. Quiz on SQL and Power BI Concepts (20 Marks) - Scheduled on Day 30(25/06/2024):

To assess your grasp of SQL and Power BI concepts and your ability to apply them, a comprehensive quiz is scheduled for the 30th day of the internship. This quiz accounts for 20 marks and will cover various concepts of Data Analysis.

Your Deliverables:

- Reel: Share your insights in a well-structured reel.
- Project Source Files: Your project's source code (SQL & Dashboard) – the heart of your achievements.
- PPT Presentation: Craft a compelling presentation outlining your approach and key findings.
- Short Video Presentation: Prepare a video presentation by displaying your ppt slides and giving your voiceover to explain them by utilizing your Storytelling power. You can use free screen recorder: <https://screenpal.com/screen-recorder>

- Corona Virus Analysis : <https://forms.gle/SPvtutvbyDodwcvQ6>
- Nrega Analysis : <https://forms.gle/2KTLvwZPYVtKmkG89>

YouTube / LinkedIn Spotlight:

- Your video presentation stars on our YouTube channels, elevating your exposure and professional status.
- Create a short project description for your LinkedIn profile, highlighting your accomplishments.
- Upload it on LinkedIn to let the world know about your journey and achievements. Don't forget to Tag Mentorless while uploading.

Final Day Celebration:

On your last day, we're gearing up for a special meeting that holds great significance:

- Join us for a delightful session where we can connect and engage with all of you.
- We'll conclude the MCQ test, allowing you to showcase your knowledge.
- Your valuable feedback and insights are key! Share your internship experience and feedback, helping us refine and improve the program for future interns.

This meeting marks the culmination of your journey with us, and your active participation is highly encouraged. We look forward to making it a memorable and insightful experience!

Certificate of Achievement:

- After we review your tasks and projects, we'll generate your Certificates of Achievement.
- Expect to receive your certificates via email within 2-3 days after completing all tasks.
- Don't forget to proudly display your certificate on your LinkedIn profile, and be sure to tag Mentorless to share your success story.
